

Increase safety with the **SELECT Tipit™** hospital tip

Dark bronze anodized full surface hinge with black Tipit™

Dark bronze anodized concealed hinge with black Tipit™

Clear anodized full surface hinge with gray Tipit™

Clear anodized concealed hinge with gray Tipit™

Make rooms safer and meet legal requirements by retrofitting doors with the new SELECT Tipit™ hospital tip. The tip deters patients or inmates from harming themselves by hanging objects from the hinge.

- Prevents objects being attached to top of hinge (anti-ligature)
- Made from durable, high-tech polymer
- Securely attaches to door frame header
- Works for retrofit or new applications
- Includes #10 Torx® SST security screw(s)
- Colors:
 - Black — for dark bronze anodized hinges
 - Gray — for clear anodized hinges

For use in:

- Hospitals
- Correctional facilities
- Schools
- Other institutions

The SELECT Tipit™ hospital tip works with our SL57 and SL21 full surface hinges, and with our SL11, SL18, SL14, SL24, SL26 and SL27 concealed hinges, to meet institutional requirements for preventing objects from being hung from the hinge.

Order the SELECT Tipit™ hospital tip with any new SELECT full surface or concealed geared continuous hinge, or add this safety feature to most other brands of concealed or full surface geared continuous hinges (new or retrofit applications).

Contact us to specify the SELECT Tipit™ hospital tip with your next order.

Tested to last 50+ years
